

**May 13**

**16:30-18:30**

**Room: Auditorium 15**

Topic: Economics

## **An integrated perspective on climate change adaptation and mitigation. Insights from global economic models**

### **Programme**

Chair: Enrica De Cian

<b>Time</b>	<b>Programme</b>
16:30 – 16:45	Hermann Held, Potsdam Institute for Climate Impact Research (PIK), Germany Climate Policy Under Uncertain and Heterogeneous Climate Damages
16:45 – 16:50	<b>Q&amp;A</b>
16:50 – 17:05	Johannes Emmerling, Fondazione Eni Enrico Mattei (FEEM), Italy Sharing of Climate Risks across World Regions
17:05 – 17:10	<b>Q&amp;A</b>
17:10 – 17:25	Francesco Bosello, Centro Euro-Mediterraneo sui Cambiamenti Climatici (CMCC) and Fondazione Eni Enrico Mattei (FEEM) Catastrophic risk, precautionary abatement, and adaptation transfers
17:25 – 17:30	<b>Q&amp;A</b>
17:30 – 17:45	Gerd Ahlert, Gesellschaft für Wirtschaftliche Strukturforchung (GWS) Osnabrück, Germany Integrated impact assessment of climate change and alternative adaptation measures
17:45 – 17:50	<b>Q&amp;A</b>
17:50 – 18:05	Andries Hof, PBL Netherlands Environmental Assessment Agency, Netherlands Effort sharing taking into account adaptation costs and climate change damage
18:05 – 18:10	<b>Q&amp;A</b>
18:10 – 18:25	Enrica De Cian, Fondazione Eni Enrico Mattei, Venezia Building Uncertainty into the Adaptation Cost Estimation in IAMs
18:25 – 18:30	<b>Q&amp;A</b>
